CROCHETED EDGINGS AND INSERTIONS by Adeline Cordet

Important Stitches in Crochet, and How to Make Them.

- No. 1. **CHAIN STITCH**—Catch cotton with needle, making a loop. Draw the cotton with the needle through this loop which makes the first stitch. Repeat, draw through as many loops as wanted, and each loop is termed a chain stitch.
- No. 2. **SLIP STITCH**—Form a row of chain stitches. Put hook through last stitch, pick up thread, draw through the work; put thread over the hook and draw through both stitches.
- No. 3. **SINGLE CROCHET**—Twist cotton once around hook, bring into chain and pull loop through. Twist cotton around hook again and pull through the three loops at one time.
- No. 4. **DOUBLE CROCHET**—A stitch on the hook, thread over, put hook through the work, draw thread through making three stitches on the hook, thread over draw through two stitches, thread over draw through remaining two stitches.
- No. 5. **TREBLE CROCHET**—This is made the same as the Double Crochet, only on starting twist the cotton over the hook two times and pull cotton through three times—two then two then two.
- No. 6. **DOUBLE TREBLE CROCHET**—This is made the same as the Double Crochet, only on starting twist the cotton over the hook three times and pull cotton through four times—two then two then two then two.
- No. 7. **DOUBLE TRIPLE TREBLE CROCHET**—This is made the same way as the Double Crochet, only on starting twist the cotton over the hook four times and pull cotton through five times—two then two then two then two then two.
- No. 8. **MESH**—For Fillet Crochet Work. Chain two stitches, skip two stitches, and double crochet into next stitch.
- No. 9. **SHELL**—Five Double Crochet into one stitch makes a shell.
- No. 10. **PICOT**—Form a chain. Skip three chain stitches and make a single crochet. Chain four, catch back into the first chain. Thread over needle once and draw through both loops. Make three or four single crochet stitches or the desired length between picots and continue.
- No. 11. **SINGLE SLIP STITCH**—Form a row of chain stitches. Pass needle in last chain and draw thread through. Pull loop just made through first loop.
- No. 12. **PUFF STITCH**—Work five double crochet over open mesh, pull loop of last double crochet through first one, so as to puff up, then one double crochet over same in row below.

Work other half of treble crochet, two chain, one double crochet in middle of double crochet just made, chain two to next.
- No. 14. **PETAL STITCH**—Form chain. Work three double crochet into same having last loop of each one on hook. This will leave three loops on needle. Draw a loop through all at once and work five chain to next.
- No. 15. **KNOT STITCH**—Form chain. Make one stitch, draw out the loop on hook one-fourth or one-third inch. Make one chain, that is, take up thread and draw through this loop to fasten. Then take up thread and draw with another long loop through stitch on needle; fasten again with one stitch and with another one in long chain, skip five.
